Mr Gearid O Faolin : The Journey OM - LEAVING THE HARBOUR before purchasing it in order to gage whether or not it would be worth my time, and all praised The Journey OM - LEAVING THE HARBOUR:

beautiful book with great life lessons. I enjoyed it very much and I have to say that I lost track of time a couple of times during reading it. I would definitely recommend this book to everyone, it is that good!

Just in case you didn't know, the book cover actually is one of my paintings. Anyway, enough of that, what about the book? This book recounts the tales of Gearid as a very young man. In it he discovers, for the first time, who he is and how he wants to live his life.
