Hassoldt Davis : The Jungle and the Damned before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jungle and the Damned:

Hassoldt Davis (19071959) was an adventurer and travel writer whose work Ernest Hemingway once described as fantastic . . . magnificent. With his intrepid new wife, filmmaker Ruth Staudinger, Davis sets off on an improbable

honeymoon, first to Devils Island, and then down an unexplored river in the interior of French Guiana. The result is a swashbuckling saga that deserves a place on any adventure bookshelf.

"As a honeymoon, all this may not appeal to those who have previously leaned toward Bermuda. As reading matter, it is something else again a tale of adventure."New York Times
