**W.A. Poucher : The Lakeland Peaks (Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lakeland Peaks (Guides):

This guide to the Lake District includes useful notes for aspiring landscape photographers as well as stunning photos,

detailed route directions and advice on practical topics such as clothing, equipment and accommodation.

... excellent pocket-sized edition is part of a trio of essential photographic guides for climbers and walkers Caravan Club Magazine ... a welcome addition to any walker's rucksack Westmorland Gazette About the Author Walter Poucher, the renowned mountain photographer, walked and climbed in Britain's hills for more than half a century. He was the author of 41 photographic books, many of which were bestsellers for decades. Before he retired he had been Chief Perfumer with Yardley for 30 years. He died in 1988. His walking guides have been updated where necessary in consultation with John Poucher, the author's son.
