By Laine Mikko  
The Publisher has reprinted Thompson's classic *The Land and the Book*. However, the reprint is a shortened version, including only Southern Palestine and Jerusalem. At least in my copy the printing is very poor, it lacks pages, one page is printed two times and the book is partly covered by dark pages hard to read. I most warmly recommend *The Land and the Book* by Thomson for all those who love their Bibles and love to study the culture behind it, but not this shortened reprinting.

Excerpt from *The Land and the Book, or Biblical Illustrations Drawn From the Manners and Customs, the Scenes and Scenery, of the Holy Land: Lebanon, Damascus and Beyond Jordan*  
In the preparation of this volume the author has availed himself of the valuable archaeological researches of the American Palestine Exploration Society and the Palestine Exploration Fund of England; and he has also incorporated into it many important and interesting observations derived from the publications of eminent writers and travellers who have recently visited the regions east of the Jordan. The pictorial illustrations of manners and customs have been designed from photographs of living subjects, and the scenic views were composed from photographs taken by the author and by the exploration societies of England and America; and all of them have been drawn and engraved in London, Paris, and New York.  
About the Publisher  
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)  
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
