Dr. Brian R. Evans : The Last Recourse: Adventures in Budget Travel for College Students and Enriching Education through Global Experiences before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Recourse: Adventures in Budget Travel for College Students and Enriching Education

through Global Experiences:

The purpose of this book is to demonstrate how college students, or anyone, can travel abroad cheaply, and enrich their educational experience in the process. Travelling abroad, particularly budget travel, can be one of the most rewarding parts of a young persons education. However, this book is intended for anyone, young or old, interested in budget travel abroad. It will take the reader through ways to cut costs on a trip and make the most of the experience. It also addresses other issues, such as staying safe and healthy while away from home. The author has traveled to over 100 countries and to every continent. The contents of this book reflect what he has learned in the process.
