Becky Cardon Smith : The LDS family travel guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The LDS family travel guide:

0 of 0 people found the following review helpful. Nice general book, but dated. By Kelly W. Buckner This is a nice general book for LDS folks who want to see historic sites, but it is a bit out of date. The site information is on the whole still OK but the information of lodging and dining is no longer current. Some of the businesses are no longer operating, newer ones are naturally not listed, and the pricing is obsolete. 0 of 0 people found the following review helpful. Five Stars By Russell Bowman Good Product 0 of 0 people found the following review helpful. nice trip advisor. By Patra Thank you. just what I needed.
