From Ingramcontent : The Lima Reader: History, Culture, Politics (The Latin America Readers) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lima Reader: History,

Culture, Politics (The Latin America Readers):

Covering more than 500 years of history, culture, and politics, *The Lima Reader* seeks to capture the many worlds and many peoples of Peru's capital city, featuring a selection of primary sources that consider the social tensions and cultural heritages of the City of Kings.

"Carlos Aguirre and Charles F. Walker, two leading scholars of Peru, bring their vast expertise to decoding one of this hemisphere's great cities. Lima is an intriguing, intimidating, pulsing tangle of a metropolis at the desert's gray ocean edge. *The Lima Reader* is the single best book for anyone seeking to understand the city in the almost dizzying impossibility of its remarkable history and culture."
