Aaron Silverman, Molly Maguire : The Literary Map of the American South before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Literary Map of the American South:

Don't rely upon the kindness of strangers to show you the way. Embrace the tangled, dreamy sensibilities of Southern literary life evoked by the gentle pastels of this landmark map which traces the 80+ birthplaces, homes and haunts of significant historical Southern authors from Tennessee Williams to Faulkner and from Carson McCullers to Margaret Mitchell. * This handy folded map unfolds to a beautifully illustrated 24 x 30 inches.

About the Author Aaron Silverman and Molly Maguire, owners of SCB Distributors, began their publishing careers by founding Aaron Blake Publishers and its renowned Literary Maps, which have been featured in two national traveling shows mounted by The Library of Congress, as well in several books on unusual maps.
