I wanted more of a dictionary of food and restaurant words and phrases in several languages. I found it difficult to find the words I was looking for. It's broken down into to many different kinds of foods per language; appetizers, entrees, meats, fish etc. It didn't work for me.5 of 6 people found the following review helpful. Review from a fellow HotelierBy Benjamin C LawrenceAn excellent resource for novices and experts alike. I especially appreciated the did you know section that is a great way to learn new and interesting food facts. This book is a real asset to travelers who want to explore new and interesting cuisines and is highly recommended.
