Heidi Knapp Rinella : The Lobster Kids' Guide to Exploring Las Vegas before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lobster Kids' Guide to Exploring Las Vegas:

0 of 0 people found the following review helpful. Prices are out of date...By Robin NoelThe prices in this book are out

of date - it was published in 2001 and in 2005 the prices across the board were about 30% higher. Budget conscious Las Vegas visitors will want to keep that in mind. Otherwise it was a terrific resource for "freebies" and kid-friendly attractions. 1 of 1 people found the following review helpful. Las Vegas - Family Memories to Last a Lifetime! By Bochagoulupe I have enjoyed Las Vegas as a single tourist in the past, but when I decided to bring my family to Las Vegas, I knew that I needed to do some planning. I never knew just how family-friendly Las Vegas really was! The Lobster Kids' Guide to Exploring Las Vegas was a critical resource that made better use of our time. This book provided me with creativity and adventure. I was able to plan out our vacation and make last minute decisions with the direction from this author, who's descriptions were "right on". And, there was a large variety of activities to choose from. My family absolutely loved our vacation and I loved the ease of it all (descriptions, tips, directions, price info, etc.). Thanks to the help from this book, I know that the memories of our vacation will last a lifetime! 0 of 0 people found the following review helpful. Las Vegas - Family Memories to Last a Lifetime! By Bochagoulupe I have enjoyed Las Vegas as a single tourist in the past, but when I decided to bring my family to Las Vegas, I knew that I needed to do some planning. I never knew just how family-friendly Las Vegas really was! The Lobsters' Guide to Exploring Las Vegas was a critical resource that made better use of our time. This book provided me with creativity and adventure. I was able to plan out our vacation and make last minute decisions with the direction from this author, who's descriptions were "right on". And, there was a large variety of activities to choose from. My family absolutely loved our vacation and I loved the ease of it all (descriptions, tips, directions, price info, etc.). Thanks to the help from this book, I know that the memories of our vacation will last a lifetime!

(all ages) Small enough to fit in a knapsack yet huge on ideas, this guide has more than 100 suggestions for fun-filled family activities in Las Vegas, Nevada.

About the Author A native of Cleveland, Ohio, Heidi Knapp Rinella moved with her husband and two daughters, Aynsley and Aubrey, to Las Vegas in 1999. Currently a staff writer for the Las Vegas -Journal, Heidi and her family spend their spare time exploring the city, looking for "kid-friendly" activities. Here's your copy of their adventure.
