Fantastic book. I really enjoyed the diary format and flew through it in a couple of sittings. There are some excellent descriptions of the landscapes the group cycled through. Above all Cunningham captures the great sense of fun the group enjoyed along this epic journey. I strongly recommend The Longest Road.

In June 2008 Ben Cunningham and five friends set out to cycle the Pan-American Highway from the northernmost point of Alaska to the most southerly city in the world. Along the way the kindness of strangers, run-ins with the law, and sometimes gangsters, were encountered. The task was as simple as it is brutal. This is an inspirational tale of adventure and endurance; of what can happen when you get on your bike; and of getting to where you want to be.

"Fantastic achievement and interesting read." Irish Mountain Log "An absorbing account of an epic adventure; well worth reading." Irish Examiner "This is the book for your summer reading." Irish Independent "Captures well the youthful spirit of adventure." Books Ireland
