There are far too many letters replaced with ? to make trying to read this much fun.If a better version is put up, give it a try.2 of 2 people found the following review helpful. Portola printing errorsBy F. YountIt was difficult to read due to printing errors. If I had not lived inthe area and knew many of the names i might have just closed it out3 of 3 people found the following review helpful. GoodBy JohnIt contains alot of very interesting detail that I was unaware of about California's history of exploration.It was well written.

Includes The Log of the San Carlos and Original Documents Translated and Annotated by E. J. Molera
