**William Fitzwater Wray : The Modern Cyclist, 1923: For all Wayfarers (Old House Projects)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Modern Cyclist, 1923: For all Wayfarers (Old House Projects):

0 of 0 people found the following review helpful. A cracking good reprint, with some nice added Frank Patterson illustrations ...By hujevA cracking good reprint, with some nice added Frank Patterson illustrations from other sources. Much better than the plethora of 'pdf to print' junk so common nowadays; this seems to have actually put together with care and sturdily bound (glue, in china). At the used price of

A guide to all aspects of cycling and vacations in Britain during the 1920s, including "learning to ride", "traps for the unwary" and "laws and customs of the road". The second section takes a tour of the roads and lodging houses of Britain and Northern France - including hints on the most scenic routes, how to avoid the "busy and rather baffling" town of Bristol, and understanding the local customs of the French.

About the Author William Fitzwater Wray (alias 'Kuklos')
