Barry J. Beitzel : The Moody Atlas of Bible Lands ([ACSM Map Design Competition Collection]) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Moody Atlas of Bible Lands ([ACSM Map Design Competition Collection]):

2 of 2 people found the following review helpful. Bring the Bible to Life by Seeing the Lands of Each Period in Time By CS in Alabama This map book will really help the student of the bible. When you read scripture and find place names you can open this book and see where it is / was. I find this helpful in bringing the bible to life. It is really wonderful to see each page and be able to follow the spread of mankind out of Mesopotamia along with the book of Genesis. Then, you see the world that the Hebrews moved into after their time in Egypt, all the way up to the Roman empire. The New Testament travels are easy to follow as you are able to see the cities at that time. If you are into end times eschatology you can see the lands spoken of on an actual map, (ie Gomer, Tubal, Rosh, etc.) called out by their

ancient names (Modern Turkey by the way).0 of 0 people found the following review helpful. Five StarsBy DaisyGreat maps helps to know your way through bible times1 of 1 people found the following review helpful. A good evangelical Bible atlas with much historical backgroundBy iamnotjoshA good evangelical Bible atlas with much historical background. I would recommend this as the number one resource for those interested in an introductory Bible atlas.

The Moody Atlas of Bible Lands integrates the geography of Bible lands with the teachings of the Bible. Its one hundred thousand words provide useful commentary for more than ninety detailed maps of Palestine, the Mediterranean, the Near East, the Sinai, and Turkey. Learn of God's protection and guidance by following Israel's forty-year sojourn in the wilderness. Appreciate the results of the Great Commission to 'teach all nations' by seeing the scope of Paul's three missionary journeys. Dr. Barry Beitzel has blended the topographical and historical in multi-colored maps that accurately reflect evangelical Christianity. Pages of timeless information aid in sermon preparation and in personal Bible study. The Moody Atlas is an invaluable asset to Sunday school teachers and to seminary and Bible college students. Text and unique maps make this one of the most useful and accurate atlases available today.
