Five Stars By jany sedalove this book 1 of 6 people found the following review helpful. Five Stars By Michael G. Langlois Great!

The outstanding beauty and distinction of the small towns of Provence have proved irresistibly attractive to visitors from other parts of Europe and from America for the best part of a century. From the hills and mountains of the Alps and the Luberon, to the rich vine-growing country of the Var, to the delightful resorts of the coast, these communities are

special places.

Altogether pleasing. -- Daily News, 24 November 2002
Every travel agent's dream book. -- Philadelphia Enquirer, 15 December 2002
