Carry Tuscany to your home By chainstrainer Bentley's photo journals of Tuscany, including this work and his companion piece "The Most Beautiful Villages of Tuscany", are wonderful keepsakes for those who have had the good fortune to spend time in that beautiful place. The books may be less appreciated by others who have yet to travel there, but not any less for its stunning photography.

Twenty of the most beautiful towns in Tuscany are featured in this volume. Travelling from north to south, it describes, first the towns with substantial Etruscan and Romanesque features, then the walled towns of central Tuscany, followed by the coastal and thermal communities of the south.
