James Bentley : The Most Beautiful Villages of Burgundy before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Most Beautiful Villages of Burgundy:

0 of 0 people found the following review helpful. Wine country! By William E. Hendry Really lovely book. Great narrative and photos. Nice price.
0 of 0 people found the following review helpful. Just ok By Just a Buyer It was okay. Too much money for what you get
2 of 2 people found the following review helpful. A beautiful book to dream on By BJH Has a lot of information about the region plus beautiful pictures. I bought because of an upcoming trip. It's not brand new but the information is still the same after checking on the web.

Synonymous with fine wine, elegant cuisine and good living, Burgundy is also a land of outstanding architecture and charming villages. Many of these ancient communities stand beside the leisurely rivers that wind their way through the duchy - the beginnings of the Seine, the Yonne, the tributaries of the Loire and the Saone. And beside these rivers lie woodlands, pastures and the greatest vineyards in the world. Complete with a map and traveler's guide, "The Most Beautiful Villages of Burgundy" is the definitive introduction to one of the most enchanting regions in the western

world.

The stunning color photographs of the architecture and countryside of this premier wine-growing region in France capture its historical heritage. -- *Modern Maturity*, Digby Diehl, March/April 1999
You'll want to say adieu immediately, and head that way. -- *Philadelphia Inquirer*, Carlin Romano, 6 December 1998
