Hugh Palmer, James Bentley : The Most Beautiful Villages of the Loire before purchasing it in order to gage whether or not it would be worth my time, and all praised The Most Beautiful Villages of the Loire:

1 of 1 people found the following review helpful. Good book, too many palaces.By Michael D WilliamsA pretty good book. Delivery and serious were as expected, and some beautiful villages. I would just have liked to see more villages and country homes and fewer palaces.2 of 2 people found the following review helpful. Beautiful book all the way aroundBy Louise C. GreggThe Most Beautiful Villages of the Loire is more than a decorative book for your coffee table. The photographs are gorgeous, as is that area of France. The author gives picturesque descriptions of the little villages, out-of-the-way, non-commercial areas to explore with comments about culinary choices. It is a beautiful book all the way around.3 of 3 people found the following review helpful. Worth the money. Gorgeous Book.By MarieIf you are considering visiting the Loire Valley in France, this is a great book to buy. It also makes a wonderful "coffee table" book. If you are considering living in the Loire Valley, the pictures and narratives make your decision easy. I am very happy that I purchased this book.

Over 30 villages of the Loire and the surrounding countryside are described and illustrated in this book, which is completed by special sections on wine and food, and abbeys and churches.

About the Author James Bentley was a distinguished travel writer who specialized in Italy and France. He was the author of the volumes on Tuscany, The Dordogne, Burgundy, England and Brittany in The Most Beautiful Villages...series. Hugh Palmer is one of Britain's foremost photographers of rural life. His previous books include Garden Ornament and The Water Garden, both published by Thames Hudson, as well as many titles in The Most Beautiful Villages...series.
