Laurie Leman, Chris Leman : The Mountain Biker's Guide to the Pacific Northwest: Washington and Oregon (Dennis Coello's America By Mountain Bike) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mountain Biker's Guide to the Pacific Northwest: Washington and Oregon (Dennis Coello's America By Mountain Bike):

An introduction to 82 classic rides in Washington and Oregon. This includes detailed desceiptions, maps, and more than 100 black and white photos.

Mountain bikers in Washington and Oregon will appreciate a guide which details routes and includes maps and mountain bike shop listings for areas in the two states. Enjoy trails which have been specifically tested for mountain bikes, and which include difficulty ratings and indications of terrain and sights to be seen. -- Midwest Book
